**WHY SHOULD I RETURN TITHE?** Tithe is more than just an option on your church's offering envelope. Tithe by biblical definition means one tenth of one's income. It is not the same as an offering since offerings are to be given freely, but tithe is to be "returned" to the Lord. The way the tithe is used in Seventh-day Adventist conferences around the world is the same everywhere – to provide for the ministry of the Church through pastors, teachers, evangelists, and related ministries. We are counseled that "a great mistake is made when the tithe is drawn from the object for which it is to be used...there should be today in the field one hundred well-qualified laborers where now there is but one." (9T, pp. 248, 249)
